

“Bee” a Partner Matthews Elementary 100% Capital Campaign

Our Bee a Partner capital campaign is the MPTO’s direct monetary donation fundraiser with 100% of donations going directly to Matthews Elementary!

No need to sell anything! Just send in a cash or check, made payable to MPTO. This year, our funds raised through Bee A Partner will go directly to technology for our students, namely for Chromebooks and Smart Boards. No amount is too small to donate! We appreciate every dollar and 100% of money raised stays right at Matthews Elementary. Many area companies also have matching gift programs, in which the employer will match the amount of a charitable contribution made by an employee. Please check with your employer to see if they offer a match – you could double your donation!

We hope you are excited to support Matthews Elementary in helping us secure the latest technological tools available to help our children learn and achieve. If you wish to participate in our Bee A Partner campaign, please complete this form and return it, with cash or a check, to your child’s teacher. We are running this campaign through the end of the school year, so you may be able to take advantage of using our program for a charitable deduction on your taxes in 2015 or 2016. The MPTO is a 501(c)(3) charitable corporation. If you have any questions, please email us at MatthewsElemPTO@gmail.com. Thank you for your support!
